

## Bones by the Wood (Kairos) (Volume 2)

Steve Dizzy Disraeli has been the Sergeant at Arms of the Priests MC, Louisiana for fifteen years; hes been a member for more than twenty. Now his president has a big task for him, Samuel Carter has asked him to travel to move back to his native Texas to head up a new charter of the Priests MC. Hes got a lot of work to do, and he needs to find a way to make a home now that he is no longer surrounded by the family he has known for more than half his life. Althea Thea Colby is just trying to get along as best she can. Its not easy being a single mama, but shes giving it her all. Her son, Josh, is her world and the only man worth having in her life. She spent some time on the sidelines of the biker club in the town she calls home, but never had any plans to get drawn in any further. But the Rabid Dogs MC has disappeared without trace or explanation, and now theres a new MC in town and they seem to have brought a truckload of trouble with them. Thea and Josh are at risk from the MCs enemies, and her heart is certainly at risk from the President of the club himself. Thea has to fight to keep her tiny slice of family whole. Dizzy has to fight to build a family from nothing. As they endeavour to survive and endure the trials in their way, they may find that the roads theyre looking for are one and the same.
