

Death Mask (A Jocelyn ORoarke Mystery)

In the third book of the Jocelyn ORoarke series, the actress and amateur detective finally gets her big break; too bad a murder has to come along and ruin it. It has been a tough road thus far for the audacious Jocelyn Josh ORoarke. Every time she feels like she's moving up in the theater world, her life is derailed by a murder. Now, she is about to make her big move with her directorial debut *Off-Broadway*. Even better, it's a revival of *Major Barbara*—a surefire hit. It seems nothing could go wrong—until stage veteran Burton Evans collapses on stage during a preview, apparently from a heart attack. As the director of the play, Josh must get to the truth. Despite Evans's kindly exterior, he was hiding a history that gave several people motives for murder. Could he have been killed for his sizable inheritance? Perhaps someone objected to his testimony to the House Committee on Un-American Activities in the 1950s? Jocelyn ORoarke needs answers if the curtain is ever to go up on her debut. *Death Mask* is the third book in the Jocelyn ORoarke mystery series, which begins with *Murder on Cue* and *First Hit of the Season*.
