

Cover Him With Darkness: A Romance (The Watchers)

In a remote and mountainous part of Europe, a priest keeps a dark secret beneath his chapel's prisoner. Even the holy man does not know how long he has been there—hundreds of years, perhaps, or even longer. The priest's fear is that anyone in his parish would ever come in contact with his mysterious and unholy charge. But what happens is even worse than he could have ever imagined. His lovely young daughter Milja, whose innocence and devotion to God he prizes over all else, trails her father into the cavern and catches a glimpse of the prisoner, a beautiful being like the most handsome of men, and yet not. She looks into his eyes and sees pain and wisdom and eternity. Unable to keep away from this silent creature chained to an altar stone, she is torn between family loyalty and her growing connection to their prisoner. One day her father discovers their forbidden intimacy and sends Milja off to America to be raised by her aunt in Boston. *Cover Him in Darkness* is a dark and thrilling story of an archangel banished from heaven and the human woman with whom he falls in love.
