

A Masterpiece Of Our Love (The Masterpiece Trilogy Book 1)

The first in a contemporary romance with mystery elements trilogy! **WARNING:** Please note: This is a trilogy that follows the same characters. There is a mild cliffhanger in this book, as a mystery element is not solved in this story. *Two Lives Torn by tragedy.* Eight-year-old Becca and twelve-year-old Hunter cling to each other and life after surviving a plane crash which stole their families. *Two Souls Seeking Love.* Each year, from the time she was old enough to travel on her own, Becca met up with Hunter on the island that altered their lives forever. Until he stopped showing. Her constant. Her link to the past. Gone in the blink of an eye. *Two Lives Bound by Secret.* Suffering more heartbreak, Hunter returns to the one place he always sought comfort, the island where he and Becca met. It was the place that stole from him, and in the same instance gave to him. He hasn't been back or spoken to Becca in four years. Though he's sure she must hate him for disappearing, Hunter discovers the girl gone, now a woman in her place. Hunter is determined to prove to Becca he isn't the same twelve-year-old boy of yesteryear. But someone isn't happy about their reunion... Strange things begin happening. Letters start showing up in their hotel rooms and at home with cryptic messages. *Two Broken Hearts Heal as One.* With the mystery unsolved, Hunter convinces Becca to spend the remainder of the summer back home with him, both for safety and to give them a chance to discover the adults they've now become. Will love get a chance to blossom, or will the past come back and tear the masterpiece of their love apart once and for all?
