

Romance: Wanted by the Alpha Lion (BBW Paranormal Lion Romance) (Heroes of Shifter Creek Book 2)

SHIFTER ROMANCE She knew right from the beginning that this white Lion was different. While working as a researcher at a zoo, scientist Cassie Judd is surprised when a white lion is brought in overnight. With his pale fur and grey-green eyes, Cassie is mesmerized by the beast, but something about him troubles her. He seems different. He possesses sadness and intelligence that unsettles her, provoking her to visit him often, hoping to earn his trust. During one of her visits, she catches a couple trying to steal the white lion, only to learn he is more than he seems. The white lion is an alpha shifter named Gowon who has been cursed by a rival pride, unable to shift back into his human form until Cassie saves his life, releasing him from the curse. As a lion, Gowon got Cassie intrigued. Now that hes a man, shes in love. Theyre mates, destined for each other. But their love knows no peace. Gowon is afraid to shift into his lion form, convinced the lift on the curse is only temporary. However, he knows that with Cassie and his pride to protect, it is only a matter of time before he must shift again, which might separate him once more from the woman he loves.
