

Crossed Hearts Vol. 1 (The Forbidden Love Series, Vol. 1): Alpha Billionaire Romance

New from bestselling author Ellie Danes, *Crossed Hearts* Kate is a fiery, independent redhead who just finished grad school; Ian is the quick-witted, successful head of his late fathers medical research firm. A forgotten wallet, a chance meeting, and an undeniable attraction pull them together, heating up a frigid New York winter. But Ians company is in trouble, and Kates sister is nothing but trouble, and their lives seem to conspire to keep them away from each other. And just as it seems like the future may be as bright as a New York spring, family troubles threaten Kates world. Can Ian and Kate overcome the problems theyre facing in their lives enough to move forward together? And will getting to know one other better be the final factor that will tear them apart?
