

Three Promises: The Billionaire Bachelors

They're handsome. Wealthy. Single. These so-called Billionaire Bachelors are heading to Sanctuary Island, where they just might find the one thing money can't buy. Leo, Zane, and Cooper made a pact to stay bachelors and enjoy the single life-forever. When they receive an invitation to their friend Miles' wedding, they head down to Sanctuary Island determined to talk some sense into the errant groom before he makes a life-changing mistake. NEVER SAY NEVER WHEN IT COMES TO LOVE. Instead, Miles vows to make the three bachelors change their minds about matrimony. Because Miles knows, better than anyone, that sometimes all it takes is a little Sanctuary Island magic to turn romantic cynics into true believers...Fans will fall in love over and over again with the heart-warming romances in Three Promises. Redemption, reconciliation, and, of course, romance-Everett's Sanctuary Island [series] has it all. -Booklist
