

Frayed Rope (The Ugly Roses) (Volume 1)

Elle is sassy and tells you like it is and Ryder is her perfect match!!! Be prepared to not be able to put it down!!! Harlow Stone is AMAZING!!! A changed name, a different country, a new life. Carte blanche, right? Perhaps, and I might have enjoyed it under different circumstances. But the bottom line is- he wont stop until Im dead. Ive done my best to stay in the shadows. Laying low and only speaking when I absolutely need to. It worked well for me until Ryder walked into my life. Or more accurately, jogged. The dark and broody owner of Callaghan Securities invaded my reclusive bubble when I least expected it. Knowing that my time spent avoiding people could be coming to an end, I have an important decision to make. Am I able to open up about my past? Let him in, let him help? Or will I embrace the cold hearted bitch I have become and leave him behind like everything else in my shit life? I was once a nice woman named Jayne OConnor. Im not sure I know who that is anymore. * This is book one in The Ugly Roses * Full length Romantic Suspense +330 Pages +18 Due to language and adult content
