

Night Life: A Nocturne City Novel (NOCTURN CITY Book 1)

Nocturne City could be any big city in the US. Poor areas, rampant drugs and violent crime, witches, demons and were creatures. Homicide detective Luna Wilder is investigating the death of a drug addict and comes across a drug that is more a spell than a chemical. A drug that leads her to the centre of a vicious war being fought between witches, a war that threatens to unleash hell on Nocturne City. Backed by a gritty take on crime and a vivid look inside a police department leading a fight against crime out of our worst nightmares the nocturne city novels bring crime to Dark Fantasy
