

Courted by the Vampire (Eight Realms) (Volume 1)

Fairies and ghosts and vampires, oh my! A trick of the mind or a new reality? Hannah Weybourne doesn't believe in things that go bump in the night. A reluctant empath who has tried to ignore her powers, she can't help but wonder if they're the reason when a hunky vampire enlists her aid. She's got her work cut out for her trying to deny Edwin's sex appeal as well as remaining hidden from the paranormal world. Edwin Mason is a paranormal bounty hunter searching for a wayward vampire. His best-laid plans go awry when he meets stubborn Hannah and immediately recognizes her value to the Eight Realms. She's the missing link needed to vanquish a power-hungry Demon Lord who's on the rise. Though he's got a job to do, Edwin is thrown off guard when Hannah bewitches him with her sarcastic nature and her tempting curves. What's one little bite between friends? The unlikely duo runs into a sticky web of supernatural foes and dark deceit in their quest to protect the magic in the Eight Realms. So many riddles, so little time. Despite the danger on their tail and the Demon Lord in their sight, love blooms, and it's not a normal courtship, but then, who needs normal anyway?
