

Nights of Rain and Stars

Four strangers, with nothing in common but a need to escape, meet in a Greek taverna high above the small village of Aghia Anna. From Ireland, America, Germany and England, they have each left their homes and old lives, when a shocking tragedy throws them unexpectedly together. Fiona is a young nurse, trying to make her family understand her need to follow her own path. Thomas desperately misses his young son and fears that his ex-wife will come between them. Elsa abruptly left her career as a television presenter, but someone from her past refuses to let her go. And shy, quiet David is determined to make a stand against his overbearing father. With these four is Andreas, the taverna owner, who badly misses the son who left home nine years ago and has never returned. *Nights of Rain and Stars* is the story of one summer and four people, each with a life in turmoil. With the help of Vonni, a middle-aged Irish woman who lives in the village and is now a near-native, they find solutions - though not necessarily the ones they anticipated.
