

Brazen: A Billionaire Cowboy Stepbrother Romance (Irrationally His Book 3)

I was caught between the irresistible force of my attraction to Travis and the immovable object of the taboo nature, not only of the relationship itself, but also of the sex play. I'd never done some of those things in my life, and I couldn't wait to do more. Then there was my best friend, Cozy. Her reaction to my revelations about sex with Travis wasn't expected. And soon she'd be here, at the ranch. I dreaded the scene when they confronted each other. To make matters worse, something wasn't right with my stepdad. Travis seemed worried, but neither of us could put our finger on what it was about this whole week-long anniversary party that made us uneasy. All I could do was hang on for the ride. Brazen is Part 3 of Irrationally His, a novel presented as a 5-part serial. Recommended for mature audiences 18+ due to sexual content.
