

Breakers Point Rogue (Volume 1)

When Stuart Reynolds arrives in Breakers Point he hopes a new job will be the fresh start he needs to clear his head of the girl he left behind. What he doesn't expect is for the fiery, wickedly curvy waitress in the diner to accuse him of being someone he's not. Ellie Blair's life has gone from bad to worse and when she meets Stuart for the first time, she assumes he's working for Grey Mattheson, the man who has made her life a living hell. When Stuart's new job forces him into working with Grey, he's drawn into a web of deceit and corruption that only Ellie can help him untangle. With everything beginning to crumble around Ellie, she quickly realizes the only man she can trust is Stuart. But can Stuart put the past where it belongs and take the chance Ellie offers him? Or will Grey just be one step ahead and tear them both apart?
