

Breaking the Bachelor (Smart Cupid)

A satisfying category romance from Entangled's Lovestruck imprint...This time, Cupid's playing dirty...Goaded by her competition, matchmaker Jane Wright makes a very public bet that she can find the perfect match for Manhattan's hottest confirmed bachelor-sexy-as-sin bartender Charlie Goodman. Unfortunately, Charlie is also Jane's ex-lover, a man she broke up with on a cocktail napkin. With her company on the line, Jane has no choice but to convince the man of her most impractical dreams to dive back into the dating pool. Charlie doesn't want to see Jane's business fail. He just wants a little revenge. Determined to prove to Jane that chemistry always beats compatibility algorithms, he plans to drive her crazy with desire...then walk away. And his plan is working. A little too well, actually. Because even as Jane scrambles to calculate Charlie's best match, the heat building between them combusts. But Charlie's been so busy outsmarting Cupid that he hasn't noticed he's the naughty cherub's next target...
