

Broken: A Billionaire Love Story

Tortured soul Shane Conway has shattered his whole life his friends, his family, and even his poetry using booze and drugs to break it all apart. He lands in rehab when there's nothing left to break but himself. Twenty-four year-old Olivia Martin is fresh out of college and driven to anxiety with the specter of graduate school in her future. Beautiful but riddled with self-doubt, she takes on the tasking job of recovery counselor to the hotheaded Shane.

Their connection is instant, heated, and dangerously deep. But, pursuing this connection puts Shane's recovery at incredible risk by adding even more passion to his animalistic desires. As the fiery Olivia tries to reconcile Shane with his past, their lives both unravel and intertwine all the more. Because Shane isn't just one more inked artist searching for redemption...he's got a billion-dollar secret lurking in his past...
