

## Burning Through Gravity (Volume 1)

BURNING THROUGH GRAVITY they soared so high so fast they never expected the fall. Two beautiful souls. Two seemingly innocent deceptions. Once they meet, Stevie and Ford explode into one another in a ball of lust, hotter than a July moon. Ford is assertive, dominate and in control, that is until Stevie brings him to his knees. He thinks shes the most beautiful woman hes ever met both inside and out. Stevie thinks hes sweet, and sort of goofy of course it doesnt hurt that he drips sex like honey. Stevie is starting to fall hard for Ford. And Ford is all in with Stevie. She wonders if he could ever forgive her for what shes about to do. She wonders if she wants him to. They say love conquers all. But love never met two liars like Stevie and Ford. His lie cost her a few sleepless nights. Her lie will cost him everything.
