

## Cowboys Pride (Welcome to Covendale) (Volume 1)

The hardest second chance theyll ever take.

The last thing Sydney Davis wants is to speak to Cam Thatcher. The boy who broke her heart in high school is now a gorgeous, dark-haired hunk of cowboy -- and meaner than a cornered snake. But she needs a favor, and hes the only one in town who can do it. Unfortunately, she soon discovers shes not as over him as she thought. Cam wants nothing to do with the woman he used to love. Especially when he learns shes about to marry the man whos trying to destroy him and take his ranch. But once he realizes his feelings for her are as strong as ever -- and she doesnt know about her fiances dark side -- he must race to stop her from making the biggest mistake of her life...and his. **WARNING:** This is a steamy contemporary romance. If youre not into sexy times, you may want to give it a pass. **\*\*All books in the Welcome to Covendale series can be read as standalones!\*\***
