

## Floored (Frenched: Erin and Charlie)

\*\*\*This is a full-length, standalone, contemporary romance.\*\*\* OK, fine. Ill confess. While my house was being robbed, I was in the shower indulging my favorite Brad Pitt fantasy (the one with the Troy costume and the handcuffs.) But where is the justice in the world when the first cop on the scene is the former bully next door? How dare that arrogant jerk grow up to be six-foot-three inches of solid muscle with gorgeous blue eyes! I cant stop thinking about him. Or his handcuffs. Or his dirty mouth. Or the way he still likes to boss me around these days, only with a lot less clothing. (Another confession I like it now, too.) But were totally wrong for each otherarent we? Floored embodies what a lighthearted read is supposed to be. It is the perfect blend of humor, sex, and heart. I absolutely loved it. -- Claire Contreras, NYT Bestselling Author of Kaleidoscope Hearts
