

Irish Fling (The Millersburg Quartet Book 1)

At a crossroads in her life and career, orphaned Ali Dearborn had always been the smart one. With near perfect recall, she accomplished a lot in a very short time. A meteoric rise led to an equally meteoric fall. With her life and career in shambles, she goes in search of her mothers roots in Ireland. Lost, she offers handsome Aidan OConnell a lift from his broken-down car and gains an impromptu tour guide. But is Aidan only looking for a brief Irish Fling?
