

## Most Eligible Spy (Harlequin Intrigue//HQ: Texas)

Her protector proves hes much more than a cowboy spy in Dana Martons first novel of her HQ: Texas series. Moses Mann didnt need to be in an interrogation room to be intimidating. Molly Rogers found that out the hard way. Her brother had been accused of smuggling and murder, and now Moses considered her a suspect, as well. But what type of dirty little secrets did he expect to find in a single mothers life? Moses was no ordinary agent poking around Texas border country. And he kept finding new reasons to bring his investigation to Mollys farm. Yet trusting himespecially around her soncame so easily. She finally had someone who would speak up for her. Even if he was an undercover agent with secrets buried deep in his soul.
