

Otherwise Engaged (Mills & Boon Temptation)

When Tyler Sheridan discovers through the personal ads that her groom isn't planning to show up for their wedding, she thinks it can't get any worse. That is, until she hooks up with seriously sexy P.I. Nick Romano to find her erstwhile fiancé and ends up wishing her had taken out his ad sooner. Nick Romano has had it with the detective business and with women! But when gorgeous, desperate Tyler shows up at his door, what can he do but help her out? Only he'd never guessed how good they'd be together in bed and out. But a future isn't in the cards for them. Especially since Tyler's still wearing another man's ring.
