

Lifes Missing Instruction Manual: The Guidebook You Should Have Been Given at Birth

Bestselling author and marketing guru Joe Vitale offers insights and life lessons for achieving success. In the simple, straightforward tone of an instructional manual, this little book offers big wisdom and little-known secrets for living a better life. Packed with life lessons most people will wish they learned earlier, *Lifes Missing Instruction Manual* uses humor and anecdote to present practical steps readers can use to take control of their lives, overcome any obstacle, and find fulfillment. Each simple lesson is explained and brought into focus with real-life examples and includes practical steps on putting those lessons to work every day. Full of uncommon wisdom and lighthearted humor, this book will help readers develop confidence, create a plan for success, get ahead at work, build rapport with others, develop time-management skills, and find wealth and happiness. Readers will learn how to live life to the fullest when they discover how to:

- * Take chances that lead to success
- * Get through the tough times
- * Be themselves and like it
- * Find their purpose
- * Work as a team
- * Create their own blueprint for success
- * Believe in themselves
- * Lead a good and moral life
- * Accept their mistakes and move on
- * Define success for themselves
