

Julians Sins

A brilliant woman, a couple of mad scientists, and an erotic experiment with shocking results... Vascular surgeon Dr. Rachel McBride knows shed be insane to pass up the chance to work on Julian Kilmartins cutting-edge research project. The reclusive neurologist has been the object of her submissive daydreams since residency, and time and distance have only strengthened the dark compulsion. To complicate matters, a former lover who was all too aware of her attraction to Julian is also on the team. Charmingly obnoxious Dr. Colin Carter was Julians protege back in the day, and nothing appears to have changed...or has it? Theres an earnestness to Colin now, an urgency shes never before seen in him. When she accepts the offer and travels to Eastern Europe, Rachel discovers that research is only part of her job description-and her total submission is only the beginning of the sexual excesses Julian and Colin will demand from her. This book has been previously published. Warning: You should assume any Robin L. Rotham book contains BDSM elements, anal play, and every possible menage a trois permutation. Additionally, Julians Sins contains mad scientists, real dungeons, whips, chains, spanking, a variety of taboo fantasies, mild puppy play, electrical devices in uncomfortable places, humor, and an intimidating ratio of sadists to masochists.
