

## Desired Affliction 3 (Cherry Blossom Series)

Cherry Blossom Series: Book #1 - Desired Affliction 1 Book #2 - Desired Affliction 2 Book #3 - Desired Affliction 3 (just released!) **\*\*Mature Content Warning\*\*** Recommended for ages 17+ due to language and sexual content. Natalie searched for a new start when she joined the Center just off campus. That's where she met Lexi, who soon became her rock. Her goal was to put her traumatic past behind her. Forget about what was taken from her and push forward with new friends and new surroundings. All she wanted was to find the same kind of love her friends shared. The love that Lexi found with Kole and Radley shared with Megan. What she found instead was one night that would forever change her future.

Waking up alone after a night of meaningless sex should have been easy, after all, that was the original plan. What she found instead was the caveman she wanted...was that a good thing or did she only add to her list of regrets?
