

Caged Love: MMA Contemporary Suspense (Book Four)

Two young fighters fall in love as their careers are blowing up, but the people they trust the most could accidentally bring it all crashing down. Action-packed fight scenes, sexy love scenes, two story lines that will crash together. **BOOK FOUR DESCRIPTION** With the climactic night at UCC 132 on the horizon, Bretten Maris and Brooke Simms have vowed to be together forever, but forever might not last very long. Everyone converges at the Tropical Sands Hotel and Casino for the big event, but Bear Haynes is forced into a deadly corner by Mr. Smith. Bretten and Tristan have a terrible decision to make. Brooke is in grave danger, but neither is sure from where the danger will come. Detective Westingham and Dana Murphy and Sherry Winstatt are on the hunt for the killers, Eck and Dean, as they try to piece it all together. The night twists into a chaotic scene when each story crashes together. Bullets fly and tires screech, and not everyone will make it through the night. This is book four of four. All books separately are \$8. The box set is also available for only \$4.99.
