

HAUNTED (The Caged Series Book 2)

(The sequel to Caged) I cowered away from him, unable to formulate a coherent sentence. Questions ran through my mind though none made it past my lips. I wondered how this could be happening, what he wanted, and what major injustice I'd brought against the universe to bring a fate such as this upon me. Perhaps being born was reason enough. After his near death experience only months earlier, Cooper's behavior is rapidly deteriorating. So what does Ruby do? She adds a new roommate into the mix. When her friend Ronnie is abruptly called away for a family emergency, Ruby takes in Peyton, Ronnie's highly intelligent and overly observant teenage daughter. With an increasingly unstable Cooper in the house, Ruby fears for Peyton's safety. But when Peyton's behaviors become as perplexing as Cooper's, Ruby finds herself juggling a series of lies to ensure their safety as well as her own... Until the lies, and the bodies, start dropping. **CONTENT ADVISORY:** language, moderately graphic violence
