

The Learner (The Learner Series Book 1)

NayeLi has come from the dark side of the universe to learn as much as she can about the third planet from the sun, and to communicate her findings back to her home world. NayeLi is a Learner, and on Earth she assumes the form of a young human female of the indigenous host species. NayeLi is bound by her rulers laws of planetary exploration, which state that there can be no involvement with a member of the host species. But NayeLi is more human now than she realizes. And she is about to fall in love. THE LEARNER is the first book in the paranormal Learner Series. Alan Nayes is the author of the spellbinding sci-fi apocalyptic series, The Resurrection Trilogy (GARGOYLES, PLAGUE, RESURRECTION), and the giant cat thriller, SMILODON.
