[Siren Menage Everlasting: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, voyeurism, spanking, paddling, ice play, sex toys, HEA] Surviving on her own, Carrie Dixon has been on the run from a homicidal psychopath since she was sixteen. Her life is turned upside down when a woman claiming to be married to her brother tracks her down. Carrie thought she was alone in the world, believing her entire family had been killed in a tragic fire when she was only three. She agrees to return to Destiny, Colorado to reunite with her brother. Josh and Jacob Phong, though only cousins, are like brothers. Jacobs dark childhood colored his entire life, but Josh and his parents helped turn his life around. These two cowboys are resident Doms at the local BDSM club with no plans on settling down - until they meet Carrie. Carrie has never known love but finds herself opening up her heart to Josh and Jacob. This trios whirlwind romance is cut short when the psychopath who Carrie has been trying to avoid finds her in Destiny. \*\* A Siren Erotic Romance
