

Alien Romance Box Set: Uoria Mates II Complete Series (Books 1 - 10): A Sci-fi Alien Warrior Invasion Abduction Romance

10 Book Best Selling Alien Romance Series \$23.90 ONLY \$9.99 This is the second series of the BESTSELLING Uoria Mates Series. The huge ensemble of lovable characters from the previous series is back along with new ones! Still reeling from the final battle that eliminated the Klimnu and took one of their own, the Denynso warriors gather to honor the life of Jem and talk about the strange discovery of the mirror world beneath the compound. They go back to the mirror world to explore, thinking that the Klimnu created the space, but are stunned to discover that it is actually home to a gorgeous and mysterious creature named Loralia, the last of her kind. One warrior, volatile and unpredictable Bannack struggles from the moment he meets her, deeply torn by an internal conflict that threatens his very future. Will he stay back for Loralia or join the other warriors in leaving the compound and exploring Uoria for the first time to discover what else might populate their beloved planet? This is only the beginning of the Uoria Mates II series, a collection of 10 titles that have all the key romance, action, drama, and suspense ingredients to leave you turning pages and pages of this stellar interplanetary story. When alien wars and invasions are mixed with an unconventional story of cross-world seduction that begins unwanted, only to end up becoming irresistible, you know that this is an exciting story that is not to be missed. As you read the Uoria Mates II series, you'll travel throughout an outer space world, where complex intrigues, highly charged emotions, as well as heated and conflicting desires, will unfold as wars are fought, and as hearts and bodies merge in an explosion of dramatic events with unforeseeable consequences that will touch and change the lives of many.
