

## Careers Working Outdoors (Kogan Page Careers in)

Interest in the natural environment has been growing rapidly, and more and more people are finding the idea of a job away from the office attractive. This seventh edition has been revised and updated to include changes in employment areas, jobs available and necessary qualifications for careers working outdoors. It offers to guide the reader through the options available in the field, describing the jobs and indicating the best way to get into them. There are sections containing useful addresses and suggestions for further reading.
