

Two Are Better Than One (Carnal Coeds) (Volume 1)

Quinn and Declan enjoy having sex together, but love sharing a woman more. After months of searching, they've lost hope of ever finding a permanent third to complete them. Then they meet shy, reclusive Hannah and everything changes. The sexual energy between them is incredible and the men soon realize that no other woman will do. They decide to confront her at the department's summer kick-off party. Will the straight-laced Hannah be open to a three-way relationship? They'll have to do everything they can to convince her that two men are better than one. Be sure to look inside the book to get a sample! This is Book #1 in the Carnal Coeds Series.
