

Carpe Diem - Jesse 3 (Volume 3)

The third book of Jesse takes us along with Niki and Jesse to Italy. Jesse is back on his old motocross team, but the rivalry among the riders is fierce. Other team members are not happy about his return and determined to make life on the track difficult for Jesse. For Niki, things are looking much better. She is excited about being in Milan. Thanks to the connections from her design teacher at home, she now mingles with some of the best designers and photographers in Europe and she accepts an offer to work as an assistant for an established local photographer. However, it doesn't take long before facts are misconstrued and misunderstandings occur. It all culminates in chaos when Jesse finds incriminating evidence that supports his suspicion that things are not as they seem. All hell breaks loose and now, not only is Jesse's position on the team in danger, but also his relationship with Niki. Don't miss Carpe Diem, the final book in the New York Times bestselling Jesse series.
