****BOOK 1: Mid Life Love** If youd asked me what love was two years ago, I probably wouldve said, Its this amazing feeling that obsesses and possesses you; its what me and my husband currently have. If you ask me that same question today, Ill say, Please get the hell out of my face. Claire Gracens life is picture perfect. Her career as a marketing director is on the brink of being legendary, and her marriage to her high school sweetheart has never been stronger. No, wait. It has. It used to be amazing and fulfilling, but one day Claire realizes that shes been living a lie and her best friend and husband have committed the ultimate betrayal. Broken and depressed, Claire is in need of something newnew city, new job, new friends. When she happens to attract the interest of the sexiest man shes ever met, a man significantly younger than her, she immediately turns him downonly to later discover that this man is Jonathan Statham, self-made billionaire and CEO of Statham Industries. Her boss. Jonathan Statham is unlike any man shes met before. Hes used to getting whatever he wantswhenever he wants, and he isnt about to take no for an answer. ****BOOK 2: Mid Life Love: At Last** If you ask me if Jonathan Statham makes me happy, Ill say Absolutely. Hes the man of my dreams and I cant wait to marry him. If you ask me why my ex-husband Ryan is currently one inch away from mestaring into my eyes and pressing his hand against my cheek, Ill say, I have no fucking idea Claire Gracen finally has the life shes always wanted: A career she loves, a man whos willing to do any and everything for her, and friends that show her the true meaning of the word friendship. As she and Jonathan prepare to make the ultimate commitment to one

another and plan the wedding of her dreams, she quickly realizes that the hurtful past she left behind in Pittsburgh is a lot closer than she thought. Sexy, unpredictable, and as charmingly clever as Mid Life Love, At Last will captivate you from the first page and never let you go.
