

The East Lake Collection

This is a specially priced collection of the East Lake series by Sara Hooper. *New Beginning* Ian, a doctor in the small New England town of East Lake, meets a newcomer who isn't really a newcomer. The vivacious Melanie, a young new addition to the hospital's staff, was originally from East Lake, and babysat Ian's daughter years ago. Their romance is fraught with controversy—the age difference is not lost on Ian's pugnacious daughter, Crystal. Can the two weather the storm developing under the strain of their age difference? *Passions Collide* Sharon is a strong, independent woman with a successful jewelry store. On a business trip to Miami, she meets Tomas, a football player a decade younger than her. Will this just be another fanciful fling or will they be able to keep up a long-distance relationship? Tomas is a rising young star, but is his dedication to the team as strong as his dedication to Sharon? Two determined personalities collide in this tale! *Love And Confidence* Single mother Alana got out of a bad marriage, but she can't escape the lack of confidence that's holding her back in matters both professional and romantic. Enter Laurence, a no-nonsense cop who sees something special in Alana and agrees to help her achieve a new kind of self-fulfillment. Along the way, their feelings develop into something much more, but will scars from their pasts and complications in the present stand in the way of true happiness?
