

Breaking the Denial: Confronting a Loved Ones Addiction to the Internet

Breaking the Denial: Confronting a Loved Ones Addiction to the Internet helps families and friends cope with a persons addiction to the Internet. Often, family and friends are the first to notice when someone becomes addicted to the Internet. A person tries to deny that Internet addiction even exists much less that he or she would have a problem with how much time they spend online. It isnt just about time online but it is about
