

How to Seduce a Cavanaugh (Cavanaugh Justice)

USA TODAY bestselling author Marie Ferrarella returns with those sizzling, law-enforcing Cavanaugh's! A lone wolf who prefers to work solo, Detective Kane Durant has been through six partners. His latest? A chatty, go-getter blonde he can't seem to intimidate with his killer stare-downs and deadly silence. But when they're assigned a case of home invasions in the ritzy section of town, he's impressed by Detective Kelly Cavanaugh's quick mind, her determination to catch the perp and how badly he wants her. With one month to prove herself to her tall, tough and sexy new partner, Kelly works overtime to crack the case and the hardened detective by her side. But when late nights on the job lead to passion, Kelly's heart is suddenly on the line, too.
