

Burn (Bayonet Scars) (Volume 5)

TRAGEDY CUTS DEEP. REVENGE BURNS DEEPER. The blood of their enemies coats the leather of their cuts and a trail of bodies lie in their wake, but the Forsaken Motorcycle Club isnt done yet. Carlo Mancuso still needs to pay for his sins. Nobody knows that more than Ian Buckley, the Treasurer for Forsaken. Ian prefers his pleasure mixed with pain and hes only ever at peace when hes doling out justice. Convinced that hes too unstable and sadistic to take an old lady, he keeps his trysts, like all of his relationships, brief and anonymous. But with his club at war, and the stakes being so personal, Ians feeling the events around him more deeply than he expects. Mindy Mercer is the sweet daughter of Fort Braggs most respectable cop. At least thats how the town sees her. Very few people know the Mindy who hides her tracks and battles her cravings by lying to everyone around her. She thinks she has control of her addiction until she suffers an attack that leaves her searching for a way out of her own personal hell. Mindy has never been more desperately in need of a savior and Ian has never seen a more beautifully destroyed creature in his life. Their attraction is intense, but their damage is extreme. Some scars never heal, and some people never get better. Love is never more painful than when it can kill you. Ride #1 (Ryan and Alex) Thrash #2 (Duke and Nic) Rev #3 (Grady and Holly) Crush #4 (Jeremy and Cheyenne) Burn #5 (Ian and Mindy) Mature Content Warning: The Bayonet Scars novels are a dark romance series which features graphic sexual content, sexual and physical violence, and foul language that is intended for a mature audience only. Each novel features a different couple, though its not recommended that they be read out of order due to the series story arc.
