

Celestial Girl: The Omnibus Edition (A Lily Modjeska Mystery)

Lily is not quite a typical woman in Toledo, Ohio, 1896. She may be repressed and dependent on her husband, but she supports the vote for women and has a mind of her own. When Johnny Pentland is found dead at a notorious brothel, Lily discovers her husband is not the man she thought he was. Pursued by Pentlands enemies, Lily embarks on a journey that will take her across the country to San Francisco and across the ocean to Imperial China as she unravels a web of murder and corruption reaching from the opium dens of Chinatown to the mansions of Nob Hill. Her journey becomes one of the heart when she crosses paths with Jackson Tremaine, a debonair, worldly-wise physician. Lily and Jackson begin a conflicted, passionate relationship as they encounter the mysterious Celestial Girl and her dangerous entourage. The Omnibus Edition includes Book 1, The Heartland, Book 2, Jewel of the Golden West, Book 3, The Celestial Kingdom, and Book 4, Terminus. From the author of The Garden of Abracadabra, Volume 1 of the Abracadabra Series, Summer of Love, A Time Travel (a Philip K. Dick Award finalist and San Francisco Chronicle Recommended Book), The Gilded Age, A Time Travel (a New York Times Notable Book and New York Public Library Recommended Book), and Strange Ladies: 7 Stories.
