

SAVING CERVANTES

Saving Cervantes is a story about a kiss and the man waiting an eternity for it to arrive. One day he sees her, the woman he can never have but must possess. He will give up everything to be with her; not all at once, but bit by insidious bit, until there is nothing left of the world he knows and his only choice is to join her. What would you give to possess the one person you thought could satisfy your deepest emotional hunger?
