

Marked Yours (Sentries Book 1)

Sentries: Book One 2nd Edition Three hundred years ago, natural disaster reformed the face of North America, and the people who lived in the shadow of the Rocky Mountains would never be the same. Now, the master/slave bond in New Colorado has become a sacred rite of service, protection, and, sometimes, for the lucky, love. Nick and his intended Master, Todd Ruger, a sentry of the territories, have grown up knowing that they were pledged to this bond. They're looking forward to the ritual with both excitement and trepidation it's something they've prepared for their entire lives. But New Colorado's institution of slavery has made dangerous enemies on a frontier fraught with trouble, and they are unprepared for the trials their new relationship will face. Their bond needs to grow very strong, very fast if it's going to survive the collision of old superstition, new beliefs, and the ever-present danger of the natural and supernatural frontier. 1st Edition published by Dreamspinner Press, May 2011
