

Daddy Bad Boy - A Bad Boy Baby Romance Novel

I've been knocked up by a fugitive. He's the kind of man I never imagined myself getting with. A legit bad boy, with as many scars on his knuckles as notches on his bedposts. I'm a good girl, and one who rarely ventures out of her comfort zone at that. One night was all it took for Dan Simmons to take me, use me, and discard me. But there's something he didn't realize. He got me pregnant, and I had to track him down to let him know. But something went wrong, and now we're both in deep water; the cops are after him, and now, I'm the only person who can help him. How will he react when he finds out that it isn't just me and him on the run? Daddy Bad Boy is a super-steamy Bad Boy Romance by best-selling author Evelyn Troy. It is intended only for adults, and contains many scenes of scintillating passion and searing-hot sex. For a limited time, it also contains the entirety of Evelyn Troy's latest release, Bare!
