

A Covert Affair: A Deadly Ops Novel (Deadly Ops Series)

The explosively passionate new Deadly Ops novel from Katie Reus, the New York Times bestselling author of *Edge of Danger*. After being wounded in action, NSA agent Nathan Ortiz comes home to Miami, eager to return to duty. But he doesn't expect his newest mission to lead him straight to the one woman he loved, lost, and has never gotten over. A beautiful, successful restaurateur, Amelia Rios enjoys giving back to her community, especially to struggling women. Then a woman she recently hired stops showing up for work, and, unfortunately, she isn't the first to go missing. Soon Amelia finds herself thrust into a shadowy, dark world, working side by side with Nathan, the only man she's ever loved. They must confront old feelings as they battle a ruthless enemy preying on the poor and weak. The heat simmering between Nathan and Amelia could mean a second chance for them but first they have to survive.
