

Chasing Rain Episode 1: A Tropical Vampire/Shifter Romance (Volume 1)

This is a serialized novel. Each episode is a cliffhanger. For mature readers. Rayne, a vampire-human hybrid, decides her eighteenth birthday is the perfect time to demand more independence from her coven and the wolf shifters hired to protect her. But no one can protect her heart from the packs alpha, Blaze. When a moment of passion has near lethal consequences, it only proves that water and fire don't mix. In episode one, Rayne realizes her affection for the man that has been her bodyguard since birth is more than just a young girl's crush. Can Blaze follow his heart, or will his moral code prevent him from pursuing what he knows is meant to be?
