

## The Wrong Girlfriend

Boy meets girl. Boy falls in love. Boy sleeps with girls sister. In the four weeks leading up to Christmas Rob desperately tries to repair the damage of a drunken one-night-stand by embarking on a reluctant relationship. His plan is that the relationship will eventually fail but in doing so will bring him close to the sister who is the real object of his affections. His happily coupled up friends, all of whom regard him as their surrogate single, dabble and encourage his hapless approach with a mixture of fascination and amusement. A story of love, lager and the eternal hope that one thing really does lead to another.
