

## Pursued (Leaving Bennet Behind Book 3)

The Bennet family changed dramatically when Mr Bennet nearly lost his life. The rekindled love between him and his wife encouraged a unifying bond amongst their five daughters. Their story unfolds as each eligible young lady walks down the aisle, taking her husband's hand and forever leaving the name of Bennet behind.

Alexander Fitzwilliam, Viscount Primrose, has had his share of difficulties in dealing with society, including near scandal that could now cause him more heartache than when the rumors first began two years ago. Why? Miss Mary Bennet. Since the day he first saw her sitting beside the road covered in mud, he has not been able to put her out of his mind, and very soon his heart as well. Despite his determination in pursuing her good opinion, his attentions are not well received. Would the coming Season in London and summer at Pemberley be any different, or would she continue to avoid any further connection?
