

Chosen: Part Three (Allure)

From NY Times and USA Today Bestselling Author Josie Litton My name is Grace Delaney. I was born into this countrys most admired political family. When I was sixteen, the media dubbed me Americas Princess. I hate being called that, all the more so since I discovered the terrifying secret hidden behind my familys glittering public image. A few months ago, I graduated from college determined to make a life of my own. But now, suddenly, Adam Falzon is in it. The head of an old-world family with a reputation for ruthlessness, he looks like a fallen angel. As attracted as I am to him, Ive come to suspect that Adam is hiding secrets of his own more deadly and dangerous than I ever want to know. I dont dare give into my feelings for him. But I may not have a choice. With every beat of my heart, he is drawing me further into a web of dark desire. My chances of escaping are slipping away. Worse yet, Im no longer sure that I want to. CHOSEN is a story of dark romance. It contains scenes of coercion, both emotional and physical, and should not be read by anyone who could find that distressing.
