

## Trouble When You Walked In

Shes a woman of her word. Cissie Rogers likes to do everything by the book. Literally. The town librarian in Kettle Knob, North Carolina, shes determined to preserve the future of literature-and the librarys romantic legend-for her patrons. Its not easy when the mayor himself, Boone Braddock, wants to close the library down. Theres only one way for Cissie to put a stop to him: By running for mayor herself!Is he a player-or does he mean business? Boone is Kettle Knobs favorite son, a champion athlete and stellar football coach with deep local roots. Cissie will need more than a savvy slogan and a pair of three-inch high heels to stand a chance at the polls. But what about the campaign thats underway in her own heart? What began as professional rivalry has transformed into a simmering attraction that neither contender can ignore. Could it be that the keeper of the towns card catalog and the legendary football hero are ready to team up...and write their own storybook romance?Kieran Kramers smart, sassy storytelling charms readers because there is always poignancy mixed with passion, tenderness, and humor. -RT Book Reviews
