

Hostage to Thunder Horse (Mills & Boon Intrigue)

Discovering an unconscious woman in a snowdrift, rancher Maddox Thunder Horse vowed to save her life. How she had wound up in a remote area of the Badlands was a mystery, but the fear in the icebound beautys eyes revealed that it had not been by choice. The woman who called herself Kat roused protective instincts the Lakota native had thought long-dead.... Grateful for her rescue, Katya Ivanov didnt want to pull Maddox into her nightmare. Someone wanted her dead, so the less he knew about her and her situation, the better. Still, the growing attraction between them couldnt be denied - and neither could the killer who lurked in wait. But with a warrior by her side, she just might have a shot at the life - and love - shed always wanted....
