Caris Roane is the author of over sixty published works, twelve of which are paranormal romance novels featuring sexy, warrior vampires in need of worthy women. When a blood rose enters Mastyr Ethans world, will he succumb to his deepest needs or lose her forever to an enemy intent on possessing her at all costs?

He desperately needs his blood rose Ethan, mastyr vampire of the Bergisson Realm, never thought to find his blood rose, the one woman who could ease the blood-starvation hes endured for decades. But Samantha carries a surprising level of power as her newly discovered fae heritage emerges and she connects with his personal realm frequency, a vibration that ignites his passion. His commitment to ruling Bergisson, however, has priority, even over his driving need to be with Samantha. As desire rises, and Ethan finds himself drawn into the web of his driving, relentless need for her, will he be able to embrace his blood rose or will his guilt over past events prevent him from living life to the fullest? How can she give up the life she planned? Samantha cant believe shes a blood rose, a woman who can meet the needs of a starved mastyr vampire. Her plans never included the world of the Nine Realms in which mastyr vampires rule millions of realm-folk, but learning that shes half-fae has changed everything. As Ethans blood-needs become a life-or-death struggle, and cast her into a war against the dreaded Invictus, how can she choose to embrace her new fae powers and change her life so completely? Will she take on the role forever as Ethans blood rose? Or

will her desire to follow her lifes ambitions
force her to choose against love, passion,
and unbelievable fae power?
