

Christmas Spirit (Leisure romance)

Sweet and uplifting stories that will warm even the coldest of hearts from three very talented writers. In Leigh Greenwood's Bah, Humbug!, ad exec Nate Jerome longs for a holiday in the tropics, but finds heat right next door. In Elaine Fox's Christmas Present, Susannah Murphy returns home for Christmas to a late-night savior who teaches her the meaning of true love. And in Linda Winstead's Blue Christmas, Jess Lennox realizes that her self-imposed rule of not dating musicians may be holding back his ability to find happiness.
